## DID YOU KNOW?

Since 1906, the Alaska Goldpanners of Fairbanks have marked the summer solstice with an annual baseball game. Known as the Midnight Sun Game, the ball play starts at 10:30 p.m. and extends until after midnight. However, there's no need to light the field, since the area experiences nearly 24 hours of daylight during the summer months.

### Notice to SRCI Adults In Custody

Tuesday, June 23, 2020, the institution was notified that an SRCI staff member has tested positive for COVID-19. Please be advised that SRCI is now on Tier 2.

**Tier 2** – Institutions with confirmed COVID-19 (AIC and/or Employee) originating from the institution will require contact tracing through Health Services, at the institution for staff and AICs. Community contact tracing will be conducted by the Malheur County Health Department.

The contact tracing will be based on direct contact as defined by CDC: For COVID-19, a close contact is defined as any individual who was within 6 feet of an infected person for at least 15 minutes starting from 2 days before illness onset (or, for asymptomatic patients, 2 days prior to positive specimen collection) until the time the patient is isolated.

**Until July 1 Housing Units 1C1 and 2I will be on quarantine status.** This status could change if there are any AIC's who test positive for COVID-19 from those units.

For those AICs who are identified as a close contact with the COVID-19 positive staff, you will be contacted by our Medical Services Manager. If you are identified as a close contact, it is recommended that you wear a mask during the quarantine period.

### Message from the Deputy Director / Statewide Visiting

To: All Adults in Custody  
From: Heidi Steward, Deputy Director

As part of the Oregon Department of Corrections' COVID-19 continuing prevention efforts, normal visiting will remain canceled statewide until further notice. This includes non-contact visits, family visits, and attorney visits.

I know many of you hoped to open doors to visitors in the coming weeks and are disappointed to hear this news. While we are gaining ground and seeing our numbers decrease significantly, our communities are seeing increased numbers. Given this, we fear we will see another spike if we open visiting at this time.

This was no easy decision, especially knowing it's been months since kids have seen their moms and dads.

In the meantime, our Agency Operations Center is reviewing plans from each facility that include thorough screening processes and social distancing protocols in order to ensure safety for our employees, the adults in custody, and our communities.

When each facility can safely open their doors, we will make public notifications as soon as possible to help visitors plan.

Be well and be safe.
